

Talking Bird by Death Cab for Cutie

C Em F

Oh, my talking bird

C G F

Though you know so few words

C Em F

They're on infinite repeat

C G F

Like your brain can't keep up with your beak

C Em F

And your kept in an open cage

C G F

So you're free to leave or stay

C Em F

And sometimes you get confused

C G F

Like there is a hint I'm trying to give you

Dm

The longer you think

G C

The less you know what to do

Em F

C G F

C Em F

Well it's hard to see your way out

C G F

When you live in a house in a house

C Em F

'Cause you don't realize

C G F

That the windows were open the whole time

C Em F
But oh, my talking bird
C G F
Though your feathers are tattered and furled
C Em F
I love you all your days
C G F
'Til the breath leaves your delicate frame

Dm
It's all here for you
G Am G F
As long as you choose to stay
Dm
It's all here for you
G C
As long as you don't fly away
